Communiqué of the UCI Commissaires' Panel n° : 4

Name of the event : Pretorian Cup

Class : Men & Women's Elite

Format : XCS

Category : S2

Venue : Vila Pouca de Aguirre

Date : 17 March 2018

Time : 18 : 00

Subject : Course change for Stage 3

As a result of the heavy fall of snow this am, although a thaw set in today, it has been considered necessary to shorten the course to remove the areas subject to the heaviest snowfall and in case there is a further fall tonight. We anticipate that with the changes there will be no need to make further changes.

The course changes mean stage 3 uses the same course and start and finish as advertised in the event guide the course will now be 55km in distance the ZT/TZ zones 1 and 2 are unchanged in location from the event guide.

Whilst no further severe weather is expected riders should check on the organisation facebook page at 7am which will make an announcement only if the situation has changed overnight and a course change is considered necessary.

For further details check the event organisers web site at <http://www.pretorianrace.com> and also on the event official Facebook Page.
